

UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA

ANDREA RIDGELL,  
Plaintiff,

v.

FRONTIER AIRLINES, INC., et al.,  
Defendant.

Case No. CV 18-4916 PA (AFMx)

CIVIL TRIAL SCHEDULING ORDER  
[FED. R. CIV. P. 16(b)]

1. Establishing a Discovery Cut-off Date of June 10, 2019
2. Setting Motion Cut-off date of June 17, 2019
3. Setting Final Pretrial Conference for July 19, 2019, at 1:30 p.m.
4. Setting Jury Trial Date of August 20, 2019, at 9:00 a.m.

**I. SCHEDULING**

**A. Discovery Cut-Off**

This is the last date to complete discovery, including expert discovery, and the resolution of any discovery motions before the magistrate judge. If expert witnesses are to be called at trial, the parties shall designate experts to be called at trial and provide reports required by Fed. R. Civ. P. 26(a)(2)(B), not later than eight weeks prior to the discovery cutoff date. Rebuttal expert witnesses shall be designated and reports provided as required

1 by Fed. R. Civ. P. 26(a)(2)(B), not later than five weeks prior to the discovery cutoff date.  
2 Failure to timely comply with this deadline may result in the expert being excluded at trial as  
3 a witness. The Court requires compliance with Local Rule 37-1 and 37-2 in the preparation  
4 and filing of discovery motions. Discovery motions may not be heard on an ex parte basis.

5 **B. Joinder of Parties and Amendment of Pleadings**

6 The deadline for joining parties and amending pleadings is listed in the “Schedule of  
7 Trial and Pretrial Dates” issued by the Court. Any motions to join other parties or for leave  
8 to amend the pleadings shall be filed and served at least twenty-eight (28) days prior to the  
9 hearing deadline as required by Local Rule 6-1 so that they can be heard and decided prior  
10 to the deadline. This deadline does not apply if the deadline for joining parties or amending  
11 pleadings has already been calendared or occurred by virtue of an order issued by this Court  
12 or another court.

13 In addition to the requirements of Local Rule 15-1, all motions to amend the pleadings  
14 shall: (1) state the effect of the amendment; (2) be serially numbered to differentiate the  
15 amendment from previous amendments; and (3) state the page, line number(s), and wording  
16 of any proposed change or addition of material.

17 For the Court’s ease of reference, the moving party shall submit to chambers a  
18 redlined version of the amended pleading.

19 **C. Motion Filing Cut-Off**

20 The Court hears motions on Mondays at 1:30 p.m. The motion filing cut-off date is  
21 the last day motions may be heard (not filed). The Court will not decide late motions.  
22 Issues left undetermined by the passage of the motion cut-off date should be listed as issues  
23 for trial in the Final Pretrial Conference Order. As an exception to the above, motions in  
24 limine dealing with evidentiary matters may be heard at or before trial; however, summary  
25 judgment motions disguised as motions in limine will not be heard. Parties need not wait  
26 until the discovery cut-off to bring motions for summary judgment or partial summary  
27 judgment. However, in the usual case, the Court expects that more than the minimum notice  
28 will be provided to counsel opposing motions for summary judgment. In the usual case, the  
parties should confer and agree on the date for setting such motions.

1           **D. Ex Parte Applications**

2           Ex Parte Applications are entertained solely for extraordinary relief. See Mission  
 3 Power Eng. Co. v. Continental Casualty Co., 883 F.Supp. 488 (C.D. Cal. 1995). Strict  
 4 adherence to proper ex parte procedures, including Local Rule 7-19, is required for any ex  
 5 parte application filed with the Court.

6           **E. Stipulations to Extend Time**

7           Stipulations to extend the time to file any required document or to continue any  
 8 pretrial or trial date must set forth:

- 9                     1.       the existing due date or hearing date;
- 10                    2.       the current pretrial conference date and trial date;
- 11                    3.       the specific reasons supporting good cause for granting the extension or  
 12 continuance. For example, a statement that a continuance “will promote settlement” or that  
 13 the parties decided to suspend discovery while engaging in settlement discussions is  
 14 insufficient.
- 15                    4.       whether there have been any prior requests for extensions or  
 16 continuances, and whether these were granted or denied by the Court.

17           **F. Settlement**

18           Local Rule 16-15.2 provides that the Settlement Conference shall be conducted not  
 19 later than 45 days before the Pretrial Conference. The Court believes that in most cases  
 20 completion of all discovery and dispositive motions will help the parties assess their  
 21 positions before they embark on the costly pre-trial process. However, in many cases, the  
 22 parties find it more difficult to settle after they have incurred the cost of all discovery and  
 23 motion practice. Accordingly, the Court strongly encourages counsel and the parties to  
 24 pursue settlement earlier.

25           Notwithstanding the provisions of Local Rule 16-15.5, unless the parties have  
 26 received prior approval by the Court, lead trial counsel and each party shall appear at the  
 27 settlement proceeding in person or, in the case of a corporation or other non-governmental  
 28 entity, by a corporate representative with final authority to settle the case and who is

1 knowledgeable about the facts of the case. Representatives of insurers with decision-making  
2 authority are also required to attend the settlement proceedings in person unless their  
3 presence is expressly excused by the Court. The Court's requirement that lead trial counsel,  
4 parties, corporate representatives, and insurer representatives must appear at the settlement  
5 proceedings in person unless they have been expressly excused by the Court applies to  
6 individuals located both within and outside the Central District of California.

7 The Court has a keen interest in helping the parties achieve settlement. If the parties  
8 believe that it would be more likely that a settlement would be reached if they conduct  
9 settlement conference at an earlier time than that specified by the Court, they should conduct  
10 it at that time.

11 The Court will not conduct settlement conferences in non-jury cases which the Court  
12 will try. In jury cases, the Court will conduct a settlement conference at the parties' request  
13 if three conditions exist:

- 14 1. The parties are satisfied that the fact issues in the case will be tried to a  
15 jury;
- 16 2. All significant pre-trial rulings which Court must make have been made;  
17 and
- 18 3. The parties desire the Court to conduct the conference, understanding  
19 that if settlement fails, the Court will preside over the trial of the case.

20 **G. Mandatory Chambers Copies**

21 A "mandatory chambers copy" is an exact duplicate of a document filed through the  
22 Court's CM/ECF system or at the Clerk's Office's filing window for documents exempted  
23 from the electronic filing requirements contained in Local Rule 5-4.2. Unless otherwise  
24 ordered by the Court, one mandatory chambers copy of every filed document must be  
25 delivered to Judge Anderson's mailbox located adjacent to the Clerk's Office on the fourth  
26 floor of the United States Courthouse, 350 West 1st Street, Los Angeles, California, no later  
27 than 12:00 noon on the business day following the filing of the document. If a mandatory  
28

1 chambers copy is sent to chambers by guaranteed overnight delivery, the sender shall notify  
2 the delivery service that the signature of the recipient is not required.

## 3 **II. LAW AND MOTION**

### 4 **A. Summary Judgment Motions**

#### 5 1. Timing

6 In virtually every case, the Court expects that the moving party will provide more than  
7 the minimum twenty-eight (28) day notice for such motions. The moving party shall submit  
8 a copy of the Statement of Uncontroverted Facts and Conclusions of Law to the Court's  
9 ECF e-mail address, in WordPerfect format (X6 or earlier versions) or Microsoft Word  
10 (Word 2013 or earlier versions).

#### 11 2. Memorandum of Points and Authorities

12 The movant's memorandum of points and authorities should be in the usual form  
13 required under Local Rule 7 and should contain a narrative statement of facts as to those  
14 aspects of the case that are before the Court. All facts should be supported with citations to  
15 the paragraph number in the Separate Statement that supports the factual assertion and not to  
16 the underlying evidence.

17 Unless the case involves some unusual twist on Rule 56, the motion need only contain  
18 a brief statement of the Rule 56 standard; the Court is familiar with the Rule and with its  
19 interpretation under Celotex and its progeny. If at all possible, the argument should be  
20 organized to focus on the pertinent elements of the cause(s) of action or defense(s) in issue,  
21 with the purpose of showing the existence or non-existence of a genuine issue of material  
22 fact for trial on that element of the claim or defense.

23 Likewise, the opposition memorandum of points and authorities should be in the usual  
24 form required by Local Rule 7, and where the opposition memorandum sets forth facts, the  
25 memorandum should cite to paragraphs in the separate statement if they are not in dispute, to  
26 the evidence that contravenes the fact where the fact is in dispute, or, if the fact is  
27 contravened by an additional fact in the statement of genuine issues, the citation should be to  
28 such fact by paragraph number.

1                   3.     Separate Statement of Undisputed Facts

2             The Separate Statement of Undisputed Facts is to be prepared in a two column format.  
3     The left hand column should set forth the allegedly undisputed fact. The right hand column  
4     should set forth the evidence that supports the factual statement. The fact statements should  
5     be set forth in sequentially numbered paragraphs. Each paragraph should contain a narrowly  
6     focused statement of fact. Each numbered paragraph should address a single subject in as  
7     concise a manner as possible.

8             The opposing party's statement of genuine issues must be in two columns and  
9     track the movant's separate statement exactly as prepared. The document must be in two  
10    columns; the left hand column must restate the allegedly undisputed fact, and the right hand  
11    column must indicate either undisputed, or disputed. The opposing party may dispute all or  
12    only a portion of the statement, but if disputing only a portion, must clearly indicate what  
13    part is being disputed. Where the opposing party is disputing the fact in whole or part, the  
14    opposing party must, in the right hand column, label and restate the moving party's evidence  
15    in support of the fact, followed by the opposing party's evidence controverting the fact.  
16    Where the opposing party is disputing the fact on the basis of an evidentiary objection, the  
17    party must cite to the evidence alleged to be objectionable and state the ground of the  
18    objection and nothing more. **No argument should be set forth in this document.**

19            The opposing party may submit additional material facts that bear on or relate to the  
20    issues raised by the movant, which shall follow the format described above for the moving  
21    party's separate statement. These additional facts shall follow the movant's facts, shall  
22    continue in sequentially numbered paragraphs (i.e., if movant's last statement of fact was set  
23    forth in paragraph 30, then the first new fact will be set forth in paragraph 31), and shall set  
24    forth in the right hand column the evidence that supports that statement.

25            The moving party, in its reply, shall respond to the additional facts in the same manner  
26    and format that the opposition party is required to adhere to in responding to the statement of  
27    undisputed facts, as described above.

#### 4. Supporting Evidence

No party should submit any evidence other than the specific items of evidence or testimony necessary to support or controvert a proposed statement of undisputed fact. Thus, for example, the entire transcript of a deposition, entire sets of interrogatory responses, and documents that do not specifically support or controvert material in the separate statements, should not be submitted in support or opposition to a motion for summary judgment. Any such material will not be considered.

Evidence submitted in support or opposition to a motion should be submitted either by way of stipulation or as exhibits to declarations sufficient to authenticate the proffered evidence, and should not be attached to the Memorandum of Points and Authorities. The Court will accept counsel's authentication of deposition transcript, of written discovery responses, and of the receipt of documents in discovery **if the fact that the document was in the opponent's possession is of independent significance**. Documentary evidence as to which there is no stipulation regarding foundation must be accompanied by the testimony, either by declaration or properly authenticated deposition transcript, of a witness who can establish its authenticity.

If evidence in support of or in opposition to a motion exceeds twenty pages, the evidence must be in a separate bound volume and include a Table of Contents.

#### 5. Objections to Evidence

If a party disputes a fact based in whole or in part on an evidentiary objection, the ground of the objection, as indicated above, should be stated in the separate statement but not argued in that document. Evidentiary objections are to be addressed in a separate memorandum to be filed with the opposition or reply brief of the party. This memorandum should be organized **to track the paragraph numbers of the separate statement in sequence**. It should identify the specific item of evidence to which objection is made, the ground of the objection, and a very brief argument with citation to authority as to why the objection is well taken. The following is an example of the format contemplated by the Court:

Separate Statement Paragraph 1: Objection to the supporting deposition transcript of Jane Smith at 60:1-10 on the grounds that the statement constitutes inadmissible hearsay and no exception is applicable. To the extent it is offered to prove her state of mind, it is irrelevant since her state of mind is not in issue.

Fed. R. Evid. 801, 802.

**Do not submit blanket or boilerplate objections to the opponent's statements of undisputed fact: these will be disregarded and overruled.**

**B. Motions in Limine**

Motions in limine are not to be used as disguised motions for summary judgment. Their purpose is limited to alerting the Court to significant evidentiary issues that can be addressed and resolved prior to trial.

**1. Timing**

Unless otherwise ordered by the Court, motions in limine will be heard on the date indicated in the "Schedule of Trial and Pretrial Dates" issued by the Court. Unless the Court in its discretion otherwise allows, no motions in limine shall be filed or heard on an ex parte basis absent a showing of irreparable injury or prejudice not attributable to the lack of diligence of the moving party.

**2. Limitation on Number of Motions in Limine**

Unless otherwise ordered by the Court upon a showing of good cause, the Court will consider no more than four (4) motions in limine by any party. If a party seeks to file more than four (4) motions in limine, it must obtain the Court's prior permission to file additional motions in limine.

**3. Pre-Filing Meeting of Counsel**

Before filing any motion in limine, counsel for the parties shall confer pursuant to Local Rule 7-3 in a good faith effort to eliminate the necessity for hearing the motion in limine or to eliminate as many of the disputes as possible. The pre-filing meeting of counsel shall occur no later than twenty-eight (28) days prior to the date for filing of motions in

1 limine indicated in the “Schedule of Trial and Pretrial Dates” issued by the Court. It shall be  
2 the responsibility of counsel for the moving party to arrange for this conference. The  
3 conference shall take place in person within seven days of service upon opposing counsel of  
4 a letter requesting such conference. Unless counsel agree otherwise, the conference shall  
5 take place at the office of the moving party. If both counsel are not located in the same  
6 county in the Central District, the conference may take place by telephone. The moving  
7 party’s letter shall identify the testimony, exhibits, or other specific matters alleged to be  
8 inadmissible and/or prejudicial, shall state briefly with respect to each such matter the  
9 moving party’s position (and provide any legal authority which the moving party believes is  
10 dispositive), and specify the terms of the order to be sought.

11 4. Joint Motion

12 If counsel are unable to resolve their differences, they shall prepare a Joint Motion in  
13 Limine. The Joint Motion in Limine shall consist of one document signed by all counsel.  
14 The Joint Motion in Limine shall contain a clear identification of the testimony, exhibits, or  
15 other specific matters alleged to be inadmissible and/or prejudicial and a statement of the  
16 specific prejudice that will be suffered by the moving party if the motion is not granted. The  
17 identification of the matters in dispute shall be followed by each party’s contentions and  
18 each party’s memorandum of points and authorities. The title page of the Joint Motion in  
19 Limine must state the hearing date for the motions in limine and the trial date.

20 The moving party shall serve its portion of the Joint Motion in Limine on the  
21 responding party fourteen (14) days prior to the date for filing of motions in limine indicated  
22 in the “Schedule of Trial and Pretrial Dates.” The responding party shall then serve the  
23 opposition portion of the Joint Motion in Limine on the moving party both on paper and in  
24 an electronic format seven (7) days prior to the date for the filing of motions in limine. The  
25 moving party shall incorporate the responding party’s portion into the Joint Motion in  
26 Limine, add its arguments in reply, and file and serve the Joint Motion in Limine. Neither  
27 party’s portions of a Joint Motion in Limine shall exceed eight (8) pages.  
28

1 Joint Motions in Limine shall be accompanied by a declaration from the moving party  
2 that includes the following: (1) a clear identification of the specific matter alleged to be  
3 inadmissible and/or prejudicial; (2) a representation to the Court that the subject of the  
4 motion in limine has been discussed with opposing counsel, and that opposing counsel has  
5 either indicated that such matter will be mentioned or displayed in the presence of the jury  
6 before it is admitted in evidence or that counsel has refused to stipulate that such matter will  
7 not be mentioned or displayed in the presence of the jury unless and until it is admitted in  
8 evidence; and (3) a statement of the specific prejudice that will be suffered by the moving  
9 party if the motion in limine is not granted.

10 Unless ordered by the Court, no supplemental or separate memorandum of points and  
11 authorities shall be filed by either party in connection with any motion in limine.

12 The Court will not consider any motion in limine in the absence of a joint motion or a  
13 declaration from counsel for the moving party establishing that opposing counsel: (1) failed  
14 to confer in a timely manner; (2) failed to provide the opposing party's portion of the joint  
15 motion in a timely manner; or (3) refused to sign and return the joint motion after the  
16 opposing party's portion was added. The failure of any counsel to comply with or cooperate  
17 in the foregoing procedures will result in the imposition of sanctions, including a resolution  
18 of the issue against the party refusing to cooperate.

### 19 **III. PRETRIAL CONFERENCE AND TRIAL SETTING**

20 This case has been placed on calendar for a Final Pretrial Conference ("PTC")  
21 pursuant to F. R. Civ. P. 16 and Local Rule 16-1, unless the PTC was expressly waived at  
22 the Scheduling Conference by the Court. Unless excused for good cause, each party  
23 appearing in this action shall be represented at the PTC and all pretrial meetings of counsel,  
24 by lead trial counsel. The failure to attend the PTC or to submit the required pretrial  
25 documents may result in the dismissal of the action, striking the answer and entering a  
26 default, and/or the imposition of sanctions.

27 A continuance of the Final Pretrial Conference at counsel's request or stipulation is  
28 highly unlikely. Counsel should plan to do the necessary pretrial work on a schedule which

1 will insure its completion with time to spare before the Final Pretrial Conference.  
 2 Specifically, failure to complete discovery work, including expert discovery, is not a ground  
 3 for a continuance.

4 At the PTC, counsel should be prepared to discuss means of streamlining the trial,  
 5 including, but not limited to: bifurcation, presentation of non-critical testimony by  
 6 deposition excerpts, stipulations as to the content of testimony, presentation of testimony on  
 7 direct examination by declaration subject to cross-examination, and qualification of experts  
 8 by admitted resumes. In rare cases where the PTC is waived by the Court, counsel must  
 9 follow Local Rule 16-10.

10 **The failure to attend the pretrial conference or to submit in conformity with this**  
 11 **order, the jury instructions, pre-trial exhibit stipulation, joint statement of the case,**  
 12 **voir dire questions, summary of witness testimony and times estimates, proposed**  
 13 **Pretrial Conference Order or the memorandum of contentions of fact and law may**  
 14 **result in the dismissal of the action, striking the answer and entering default and/or the**  
 15 **imposition of sanctions.**

16 **A. Pretrial and Trial Documents**

17 Compliance with the requirements of Local Rules 16-1 to 16-13 is required by the  
 18 Court. Carefully prepared Memoranda of Contentions of Fact (which may also serve as the  
 19 trial brief) and a proposed Final Pretrial Conference Order (“PTCO”) shall be submitted in  
 20 accordance with the provisions of Local Rule 16-7 and the form of the PTCO shall be in  
 21 conformity with the format set forth in Appendix A to the Local Rules, modified as  
 22 necessary to comply with this order.

23 The Memoranda of Contentions of Fact and Law, PTCO, Exhibit Lists, and Witness  
 24 Lists shall be served and filed no later than fourteen (14) days before the Pre-Trial  
 25 Conference.

26 **1. Proposed Final Pre-Trial Conference Order**

27 The PTCO must contain a Table of Contents. Place in all capital letters and in bold  
 28 the separately numbered headings for each category in the PTCO. Under paragraph 1, list

each claim, counterclaim, or defense that has been dismissed or abandoned. In multiple party cases where not all claims or counterclaims will be prosecuted against all remaining parties on the other side, please specify to which party each claim or counterclaim directed. The factual issues in dispute should track the elements of a claim or defense upon which the jury would be required to make findings. Counsel should state issues in ultimate fact form, not as evidentiary fact issues (i.e., “was the defendant negligent,” “was defendant’s negligence the proximate cause of plaintiff’s injury;” not “was the plaintiff standing on the corner of 5th and Spring at 10:00 a.m. on May 3”). Issues of law should state legal issues upon which the Court will be required to rule after the Pre-Trial Conference, including during the trial, and should not list ultimate fact issues to be submitted to the trier of fact.

In drafting the PTCO, the Court expects that counsel will attempt to agree on and set forth as many non-contested facts as possible. The Court will normally read the uncontested facts to the jury at the start of the trial. Carefully drafted and comprehensively stated stipulation of facts will reduce the length of trial and increase jury understanding of the case.

If expert witnesses are to be called at trial, each party must list and identify its respective expert witnesses, both retained and non-retained in the PTCO. **Failure of a party to list and identify an expert witness in the PTCO shall preclude a party from calling that expert witness at trial.**

## 2. Summary of Witness Testimony and Time Estimates

Counsel shall prepare a list of their witnesses, including a brief summary (two to three paragraphs) of each witness’ expected testimony and an estimate of the length of time needed for direct examination; and whether the witness will testify by deposition or in person. Counsel shall exchange these lists with opposing counsel. **Counsel shall jointly file a single list of witness testimony summaries, including estimates for direct examination of their own witnesses and estimates for cross-examination of opposing witnesses.** These statements shall be filed at the time counsel file the PTCO, i.e., fourteen (14) days before the Pre-Trial Conference. A copy of the Joint Trial Witness Form is attached to this Order.

1                   3.     Jury Instructions and Verdict Forms

2             Fourteen (14) days prior to counsel's Rule 16 pre-trial meeting, counsel shall  
3 exchange proposed jury instructions (general and special) and special verdict forms (if  
4 applicable). Seven (7) days prior to the Rule 16-2 meeting, counsel shall exchange any  
5 objections to the instructions and special verdict forms. Prior to, or at the time of the Rule  
6 16 meeting, counsel shall meet and confer with the goal of reaching agreement on one set of  
7 joint jury instructions and one special verdict form.

8             The parties should make every attempt to agree upon the jury instructions before  
9 submitting them to the Court. The Court expects counsel to agree on the substantial  
10 majority of jury instructions, particularly when pattern instructions provide a statement of  
11 applicable law. When the Manual of Model Civil Jury Instructions for the Ninth Circuit  
12 provides a version of an applicable requested instruction, the parties should submit the most  
13 recent version of the Model instruction. Where language appears in brackets in the model  
14 instruction, counsel shall select the appropriate text and eliminate the inapplicable bracketed  
15 text. Where California law applies, counsel should use the current edition of the Judicial  
16 Council of California Civil Jury Instructions ("CACI"). If neither of the above sources is  
17 applicable, counsel are directed to use the instructions from O'Malley, Grenig & Lee  
18 (formerly Devitt, et al.), Federal Jury Practice and Instructions (latest edition). Each  
19 requested jury instruction shall cover only one subject or principle of law and shall be  
20 numbered and set forth in full on a separate page, citing the authority or source of the  
21 requested instruction (except for the "clean" jury copy discussed below).

22             When the parties disagree on an instruction, the party opposing the instruction must  
23 attach a short statement (one to two paragraphs) supporting the objection, and the party  
24 submitting the instruction must attach a short statement supporting the instruction. Each  
25 statement should be on a separate page and should follow directly after the disputed  
26 instruction.

27             The parties ultimately must submit one document or, if the parties disagree over any  
28 proposed jury instructions, two documents. If the parties submit two documents, those

documents shall consist of: (1) a set of Joint Proposed Jury Instructions and (2) a set of Disputed Jury Instructions, along with reasons supporting and opposing each disputed instruction in the format set forth in the previous paragraph.

The parties must file proposed jury instructions fourteen (14) days before the Pre-Trial Conference. Counsel shall also submit a copy of the proposed jury instructions to the Court's ECF e-mail address in WordPerfect format (X6 or earlier versions) or Microsoft Word (Word 2013 or earlier versions) in accordance with this paragraph and the previous paragraph.

The Court will send a copy of the instructions into the jury room for the jury's use during deliberations. Accordingly, in addition to the file copies described above, the e-mail containing the jury instructions shall contain a "clean set" of Joint Proposed and/or Disputed Jury Instructions, containing only the text of each instruction set forth in full on each page, with the caption "Court's Instruction No. \_\_\_" (eliminating titles, supporting authority, indication of party proposing, etc.).

An index page shall accompany all jury instructions submitted to the Court. The index page shall indicate the following:

- (a) The number of the instruction;
- (b) A brief title of the instruction;
- (c) The source of the instruction and any relevant case citations; and
- (d) The page number of the instruction.

EXAMPLE:

<u>Number</u>	<u>Title</u>	<u>Source</u>	<u>Page</u>
1	Trademark-Defined (15 U.S.C. § 1127)	9th Cir. 15.3.2	7

Along with the jury instructions, counsel shall submit any necessary special verdict form fourteen (14) days before the Pre-Trial Conference and e-mail any such proposed special verdict form in WordPerfect format (X6 or earlier versions) or Microsoft Word (Word 2013 or earlier versions) to the Court's ECF e-mail address.

1                   4.     Voir Dire Questions

2             Counsel may, but need not, submit brief proposed voir dire questions for the jury at  
3 the Pre-Trial Conference. The Court will conduct its own voir dire after consulting any  
4 proposed voir dire submitted by counsel.

5                   5.     Joint Statement of the Case

6             Counsel shall file a joint statement of the case prior to the Pretrial Conference. The  
7 joint statement of the case will be read to the prospective panel of jurors prior to the  
8 commencement of voir dire. The statement should not exceed one page.

9                   6.     Joint Statement Regarding Settlement

10            Counsel shall file a single Joint Status Report Regarding Settlement at the time they  
11 file the Proposed Pre-Trial Conference Order. The Joint Statement Regarding Settlement  
12 shall include the date on which the settlement conference occurred, identify the mediator,  
13 counsel, and party representatives who appeared at the settlement conference, and indicate if  
14 the parties intend to engage in further settlement discussions.

15                  7.     Exhibits and Witnesses

16            The parties shall file their witness lists and exhibits lists in accordance with Local  
17 Rule 16. Counsel are to assemble their exhibits by placing them in three-ring binders  
18 labeled on the spine portion of the binder showing both the volume number and the exhibit  
19 numbers. Each exhibit shall be separated by a tabbed divider on the right side. Counsel  
20 shall provide original exhibits for the Courtroom Deputy Clerk and a duplicate set for the  
21 judge. The original exhibits shall be tagged with the appropriate exhibit tags in the upper or  
22 lower right corner of the first page of each exhibit. Each binder shall contain a Table of  
23 Contents. Counsel must comply with Local Rule 26-3 when numbering the exhibits. The  
24 Clerk's Office, located on the fourth floor of the United States Courthouse, 350 West 1st  
25 Street, Los Angeles, California can supply counsel with appropriate exhibit tags.

26            The Court requires the following to be submitted to the Courtroom Deputy Clerk on  
27 the first day of trial:  
28

- 1 (a) The original exhibits with the Court's exhibit tags. Plaintiff shall use  
2 yellow tags; defendant shall use blue tags. Each tag shall be stapled to  
3 the front of the exhibit on the upper right corner and include the case  
4 number, case name, and exhibit number.
- 5 (b) One bench book with a copy of each exhibit for the Court's use, tabbed  
6 as described above; a copy of the witness lists).
- 7 (c) Three (3) copies of exhibit lists. The exhibit list shall also be submitted  
8 to the Court's ECF e-mail address in both a PDF version and a  
9 WordPerfect(X6 or earlier versions) or Microsoft Word (Word 2013 or  
10 earlier versions) version.
- 11 (d) Three (3) copies of witness lists in the order in which the witnesses will  
12 be called to testify.

13 All counsel are to meet no later than fourteen (14) days before trial to discuss and  
14 agree to the extent possible on issues including foundation and admissibility.

15 8. Final Trial Exhibit Stipulation

16 The parties shall prepare a final Trial Exhibit Stipulation which shall contain each  
17 party's numbered list of all trial exhibits, with objections, if any, to each exhibit including  
18 the basis of the objection and the offering party's response. All exhibits to which there is no  
19 objection shall be deemed admitted. All parties shall stipulate to the authenticity of exhibits  
20 whenever possible, and the final Trial Exhibit Stipulation shall identify any exhibits whose  
21 authenticity has not been stipulated to and the specific reasons for the party's failure to  
22 stipulate. The final Trial Exhibit Stipulation shall be filed five days before trial. Failure to  
23 comply with this paragraph shall constitute a waiver of all objections. The final Trial  
24 Exhibit Stipulation shall be in the same form as the Pre-Trial Exhibit Stipulation.

25 9. Jury Evidence Recording System

26 The Court is equipped with the Jury Evidence Recording System ("JERS") that allows  
27 evidence admitted during trial to be viewed electronically in the jury deliberation room upon  
28 the conclusion of the trial. JERS provides easy access to evidence during the deliberations

1 through the use of a large screen monitor in the jury room. JERS also provides an efficient  
2 method for tracking the receipt and introduction of evidence in document-intensive bench  
3 trials. The Court will determine how and if JERS will be used during each specific trial.  
4 Additional information concerning JERS is available on the Court's website  
5 ([www.cacd.uscourts.gov](http://www.cacd.uscourts.gov)) in the Judge's Procedures and Schedules.

6           10.    Designation of Deposition Testimony. If a party desires to offer  
7 deposition testimony into evidence at trial for any purpose other than impeachment, it shall  
8 designate, no later than twenty-one (21) days prior to the date for filing of the PTCO, only  
9 those relevant portions of the testimony it wishes to offer at trial and advise opposing  
10 counsel whether the testimony shall be read, played on videotape or on a computer, or  
11 submitted. Those designations are to be shared electronically with opposing counsel.

12           If a party intends to object to the designated deposition testimony or offer counter-  
13 designations, the opposing party shall electronically exchange those objections and counter-  
14 designations of deposition testimony no later than fourteen (14) days prior to the filing date  
15 for the filing of the PTCO. Counter-designations are to be made only for completeness.  
16 Counter-designations are not a substitute for deposition testimony a party wishes to play in  
17 its case-in-chief. The party that originally designated the deposition testimony may object to  
18 the counter-designations.

19           Once the parties exchange objections, counter-designations and objections to counter-  
20 designations, the parties shall combine the original designations and objections with the  
21 counter-designations and objections (and brief response to the objection from the party  
22 offering the counter-designation) into a single document formatted into a table as described  
23 below with the counter-designations inserted either immediately preceding or following the  
24 associated original designation. The table should clearly identify the offering party and  
25 whether the offered testimony is a designation or counter-designation. The combined  
26 document with the table of designations, counter-designations, and their associated  
27 objections and responses shall be filed with the Court no later than the date for the filing of  
28 the PTCO.

**Do not submit blanket or boilerplate objections - these will be disregarded and overruled.**

The following is an example of the format required by the Court:

Deposition Designation	Objection & Response
<u>Plaintiff's Designation of Tom Jones (42:14-15, 22; 43:7-8, 17-22):</u>  <u>Page 42</u> 14 Q. How many managers overall at Ruiz & 15 Flint?  22 A. I do not know.  <u>Page 43</u> 7 Q. (Continuing by Mr. Scotten) How many 8 partners does Ruiz & Flint have?  17 A. For a certainty, I do not know. 18 Q. (Continuing by Mr. Scotten) Do you know Mr. Eugene Ruiz? 19 A. Yes, sir. 20 Q. What's his position at Ruiz & Flint? 21 A. I would speculate that he's a partner and 22 owner.	<u>Defendants' Objections:</u>  Page 42:14-15, 22: Irrelevant, Fed. R. Evid. 801, 802.; Page 43:21-23: No foundation, Fed. R. Evid. 401.  <u>Plaintiff's Response:</u>  Mr. Jones was the corporate representative for Ruiz & Flint.

#### 11. Pre-Trial Exhibit Stipulation

The parties shall prepare a Pre-Trial Exhibit Stipulation which shall contain each party's numbered list of trial exhibits, with objections, if any, to each exhibit including the basis of the objection and the offering party's response. All exhibits to which there is no objection shall be deemed admitted. All parties shall stipulate to the authenticity of exhibits whenever possible, and the Pre-Trial Exhibit Stipulation shall identify any exhibits whose authenticity has not been stipulated to and the specific reasons for the party's failure to stipulate.

The Stipulation shall be substantially in the following form:

Pre-Trial Exhibit Stipulation

Plaintiff's Exhibits

<u>Number</u>	<u>Description</u>	<u>Objection</u>	<u>Response to Objection</u>
---------------	--------------------	------------------	------------------------------

Defendant's Exhibits

<u>Number</u>	<u>Description</u>	<u>Objection</u>	<u>Response to Objection</u>
---------------	--------------------	------------------	------------------------------

The Pre-Trial Exhibit Stipulation shall be filed at the same time as counsel files the PTCO. Failure to comply with this paragraph shall constitute a waiver of all objections.

12. Post Trial Exhibit List

At or before the conclusion of the evidence, counsel for each party shall submit a "clean" list of only those exhibits offered by such party that have been admitted into evidence. Such lists shall be in a form suitable for submission to the jury and shall set forth the following information with respect to each exhibit to the extent applicable:

(a) Exhibit Number

(b) Date

(c) A brief description of the exhibit that will enable jurors to identify it but which does not characterize the exhibits or its contents (e.g., letter from A to B; photograph of 100 Main Street).

**B. Court Trials**

In addition to the requirements listed above that apply to non-jury trials, the Court orders that counsel comply with the following in their preparation for a Court Trial.

1. Findings of Fact and Conclusions of Law

For a non-jury trial, counsel for each party shall file and serve proposed Findings of Fact and Conclusions of Law seven (7) days prior to the date for filing of the Motions in Limine and the Response to Findings of Fact and Conclusions of Law indicated in the "Schedule of Trial and Pretrial Dates." The parties shall also e-mail these proposed

Findings of Fact and Conclusions of Law in WordPerfect format (X6 or earlier versions) or Microsoft Word (Word 2013 or earlier versions) to both the Court's ECF e-mail address and opposing counsel. Counsel for each party shall then:

- (a) Underline or highlight in red the portions which it disputes;
- (b) Underline or highlight in blue the portions which it admits; and
- (c) Underline or highlight in yellow the portions which it does not dispute, but deems irrelevant.

Counsel may agree with a part of a finding or conclusion, disagree with a part of it and/or consider a part of it irrelevant.

The parties should then file and serve their respective Responses to the other party's proposed Findings of Fact and Conclusions of Law on the date for filing of the Motions in Limine and the Responses to Findings of Fact and Conclusions of Law indicated in the "Schedule of Trial and Pretrial Dates."

The parties shall be prepared to submit to the court, and to exchange among themselves, supplemental Findings of Fact and Conclusions of Law during the course of the trial, with respect to which the same underlining procedure may be ordered.

## 2. Witness Declarations

Counsel in non-jury trials shall submit the direct testimony of their witnesses in writing in a declaration executed under penalty of perjury. This requirement does not apply to the testimony of witnesses affiliated with the opposing party who refuse to provide a trial declaration. Trial testimony declarations shall be in admissible form with appropriate foundation established for the declarant's statements. These declarations shall also include an adequate foundation and evidentiary basis for each trial exhibit a party seeks to admit through the testimony of the witness. Paragraphs in each declaration shall be numbered consecutively to facilitate the identification of paragraphs for evidentiary objections.

Counsel are to exchange and file these declarations with the Court at least twenty-one (21) days before trial, unless otherwise ordered by the Court. Fourteen (14) days before

trial, Counsel may file a separate document stating any evidentiary objections to those declarations.

Lead counsel must then meet and confer regarding any possible objections to Direct Testimony Trial Declarations. At the conference, counsel shall attempt to resolve the objections. After the conference, for any objection counsel have been unable to resolve, the parties shall, no later than seven (7) days prior trial, file a single joint statement that contains the objections and responses for all witnesses. **Do not submit blanket or boilerplate objections - these will be disregarded and overruled.** The Joint Statement shall be in the following format:

Trial Declaration Testimony	Objection & Responses
<p><u>Plaintiff's Trial Declaration of Tom Jones</u></p> <p>¶ 14: [Text of disputed paragraph of the trial testimony declaration]</p>	<p><u>Defendant's Objection</u></p> <p>[Cite the grounds and authority for the objection, e.g., Relevance under Fed. R. Evid. 401; Foundation under Fed. R. Evid. 901]</p> <p><u>Plaintiff's Response to Objection</u></p> <p>[e.g., this testimony is relevant to Plaintiff's first claim for relief because . . . ]</p> <p><u>Defendant's Response</u></p> <p>[e.g., this testimony is not relevant to Plaintiff's first claim for relief because . . . ]</p>

At trial, the Court will rule on the evidentiary objections and, depending upon the ruling, the declarations will be received in evidence, either in whole or in part, or rejected. Counsel will then conduct the cross-examination and re-direct examination at trial. This order does not apply to rebuttal witnesses.

Failure to comply with the literal terms of this Order will result in sanctions or the Court may refuse to allow that witness to testify.

1 **IV. TRIAL CONDUCT**

2 **A. Trial Schedule**

3 Counsel shall arrive in the Courtroom at 8:30 a.m. on the first day of trial for the  
4 purpose of handling logistical and administrative matters pertaining to the trial, including the  
5 submission of exhibits as discussed below. On the first day of trial, and until a jury is  
6 empaneled in a Jury Trial, the Court will typically be in session from 9:00 a.m. until 5:00  
7 p.m. Once a jury is empaneled, trials are conducted Tuesday through Friday from 8:00 a.m.  
8 to 1:30 p.m., with two fifteen (15) minute breaks.

9 Before trial commences, the Court will give Counsel an opportunity to discuss  
10 administrative matters and anticipated procedural or legal issues. On the first day of trial,  
11 this will include a final discussion of voir dire questions and the content of the joint  
12 statement. During the trial, the court will not hold bench or chambers conferences, it is the  
13 intention of the court that trial testimony will be presented without interruption for five or  
14 six hours each day, and all legal issues of importance must be raised in advance of trial by  
15 written noticed motions. If there are any matters Counsel wish to discuss, inform the  
16 Courtroom Deputy and the matter can be heard at the next recess or the next day.

17 **B. Time Limits**

18 The Court will, in every case, impose time limits on the amount of time each side will  
19 have for opening statement, witness examination, and closing argument.

20 **C. Courtroom Technology**

21 If Counsel need to arrange for the installation of their own additional equipment, such  
22 as video monitors, overhead projectors, etc., notify the Courtroom Deputy no later than 4:30  
23 p.m. the Thursday **BEFORE** trial so that the necessary arrangements can be made.

24 **D. Witnesses**

25 The parties are to exchange final witness lists in the order in which the witnesses will  
26 be called to testify together with a final joint trial witness time estimate form five (5) days  
27 prior to trial.  
28

1 Plaintiff must advise defendant, no later than noon on the Friday before the  
 2 commencement of trial, the names of the witnesses in the order in which they will be called  
 3 to testify on the first Tuesday and Wednesday of trial. Failure to adhere to this provision of  
 4 the Court's order may result in the Court precluding the witness from testifying at trial.

5 Counsel shall, either in advance of trial, or at least before the witness testifies, notify  
 6 the clerk – preferably in writing – what exhibits the witness will be asked to testify about.  
 7 The clerk then places those exhibits, each clearly labeled, before the witness at the beginning  
 8 of that witness' testimony.

9 **E. Voir Dire and Jury Selection**

10 The Court will conduct voir dire after conferring with Counsel regarding potential  
 11 areas of questioning. A portion of the voir dire may be based on written questions given to  
 12 the jurors when they arrive at Court.

13 In most cases, the Court will conduct its initial voir dire of 14 prospective jurors who  
 14 will be seated in the jury box. Normally the Court selects a jury of eight.

15 Except in an unusual case, each side will have three peremptory challenges.  
 16 Therefore, if 14 jurors are in the box and all six peremptories are exercised, the remaining  
 17 eight jurors will constitute the jury panel. If fewer than six peremptories are exercised, the  
 18 eight low-numbered jurors (by seat number in the jury box) will constitute the jury panel.

19 **F. Instructions Governing Procedure During Trial**

20 1. Counsel are expected to cooperate with each other during trial to insure  
 21 the efficient and expeditious use of court and juror time.

22 2. Counsel shall not refer to their clients or any witness over 14 years of  
 23 age by their first names during trial.

24 3. Do not discuss the law or argue the case in opening statements.

25 4. Do not use objections for purposes of making a speech, recapitulating  
 26 testimony, or attempting to guide the witness. When objecting, state only that you are  
 27 objecting and the specific legal ground of the objection, e.g., hearsay, irrelevant, etc. The  
 28 court will not hear arguments in front of the jury on evidentiary issues. Most unusual or

1 complex evidentiary issues can be foreseen and disposed of in advance; those that cannot  
2 ordinarily will be disposed of at the next recess, with the witness retained until the issue is  
3 resolved.

4 5. Counsel should not paraphrase the witness' answer into a new question  
5 which asks the same thing. For example:

6 (a) Do I understand you to mean that . . .

7 (b) Is it your testimony then that . . .

8 (c) Is it fair to say that . . .

9 (d) Can we assume then that . . .

10 (e) So that I am clear . . .

11 There is no need to hear the testimony of the witness two or three times. In addition having  
12 been asked and answered, often these questions are argumentative.

13 6. Counsel are to have their witnesses review all exhibits about which they  
14 will be questioned.

15 7. In multi-party cases, Counsel are expected to coordinate their cross-  
16 examination. The Court will not permit each party's counsel to repeat previous cross-  
17 examination questions.

18 8. Do not approach the Courtroom Deputy or the witness box without the  
19 Court's permission. Please return to the lectern when your purpose has been accomplished.  
20 Do not enter the well of the Court without the Court's permission.

21 9. Please rise when addressing the Court, and when the jury enters or  
22 leaves the courtroom.

23 10. Address all remarks to the Court. Do not directly address the  
24 Courtroom Deputy, the reporter, or opposing counsel. If you wish to speak with opposing  
25 counsel, ask permission to talk to counsel off the record. All requests to re-read questions or  
26 answers, or to have an exhibit placed in front of a witness, shall be addressed to the Court.

1 11. Although the Court encourages the parties to stipulate to facts that are  
2 not reasonably in dispute, do not offer a stipulation unless you have previously conferred  
3 with opposing counsel and reached an agreement.

4 12. All depositions to be used in the trial, either as evidence or for  
5 impeachment, must be signed and lodged with the Courtroom Deputy on the first day of trial  
6 or such earlier date as the Court may order. If deposition transcripts available in an  
7 electronic format, they should be lodged with the hard copy.

8 13. Whenever Counsel expects to offer a group of answers to interrogatories  
9 or requests for admissions, extracted from one or more lengthy documents, Counsel shall  
10 prepare a new document listing each question and answer and identifying the document  
11 from which it was extracted. Copies of this new document should be given to the Court and  
12 opposing counsel.

13 14. While court is in session, do not leave the counsel table to confer with  
14 investigators, secretaries, or witnesses unless permission is granted in advance.

15 15. When a party has more than one lawyer, only one may conduct the  
16 examination of a given witness and only that lawyer may handle objections during the  
17 testimony of that witness.

18 16. If a witness was on the stand at a recess or adjournment, have the  
19 witness back on the stand and ready to proceed when court resumes.

20 17. Do not run out of witnesses. If you are out of witnesses and there is  
21 more than a brief delay, the Court may deem that you have rested.

22 18. Counsel are advised to be on time as the Court starts promptly.

23  
24 IT IS SO ORDERED.
